Current Positions

- 1/2023 – Onward:** Project Assistant Professor, the School of Engineering, University of Tokyo
- 7/2022 – 12/2022:** Senior Academic Specialist, the School of Engineering, University of Tokyo
- 7/2022 – 12/2022:** Part-time Lecturer, the School of Engineering, University of Tokyo
- 8/2018 – 12/2022:** Ph.D. Student in Second Language Studies program, Michigan State University

Past Positions

- 2022 – 2022:** Teacher Assistant in the Second Language Studies program, Michigan State University
- 2020 – 2021:** Teacher Assistant in the Japanese program, the Depart of Linguistics, Languages, and and cultures, Michigan State University
- 2018 – 2020:** Research Assistant in the Second Language Studies program, Michigan State University
- 2017 – 2018:** Teaching Assistant in the Language House Program, University of Maryland, College Park
- 2017 – 2018:** Research Assistant in Academic Success Center, Kanda University of International Studies
- 2017 – 2018:** Research Assistant at Center for Foreign Language, Kanda University of International Studies

Education

- 2018 – 2022 (Expected)**
Ph.D. in Second Language Studies
Michigan State University
Dissertation: *Testing the three-stage model of second language skill acquisition*
Supervisor: Aline Godfroid
- 2016 – 2018**
M.A. in Second Language Acquisition
University of Maryland, College Park
Thesis: *Explicit and implicit aptitudes, L2 outcome measures, and learning of morphosyntax under an*

incidental condition

Supervisor: Robert M. DeKeyser

2014 – 2015

Exchange and transfer student in Psychology and Linguistics
Dartmouth College

2012 – 2016

B.A. in English and Language Science

Kanda University of International Studies, Chiba, Japan

Thesis: *Automaticity in L2 learning: Theories, findings, and implications*

Supervisor: Siwon Park

Research

Awards

2021

Graduate Student Award (Educational Testing Service Award)

Award from American Association for Applied Linguistics for the study *Arbitrary choices, arbitrary results: A multiverse analysis of L2 reaction time data*

Grants and Fellowship

External

2022

National Science Foundation, Doctoral Dissertation Improvement Grants

Awarded \$18,686 for the doctoral dissertation study *Testing the three-stage model of second language skill acquisition*

2021

Graduate Student Award (Educational Testing Service Award)

Awarded \$500 from American Association for Applied Linguistics for the study *Arbitrary choices, arbitrary results: A multiverse analysis of L2 reaction time data*

Internal

2021

Michigan State University, College of Arts and Letters, Summer Fellowship

Awarded \$4,500 as stipend for Summer 2021

2020

Michigan State University, College of Arts and Letters, Summer Fellowship

Awarded \$4,500 as stipend for Summer 2020
